Our Truth

## Now

You are **now** here,  
But this book is going **no** where.  
We all are **here** now,  
But that is just the present.  
We do not live in the past,  
And the future does not exist.  
Could be why they call it **present**,  
Maybe it is just a **gift**?

## GOD

This is just **word play**,  
From living in this **world** we **play** in.  
We playing in our own world of words,  
Living in our **thoughts** and **emotions**.  
Forgetting what Generates, Operates, and  
Destroys everything!  
Maybe we never knew the Generator, dog!  
Not living by the facts of life,  
Maybe we are not aware of the Operation, dog!  
Destruction all around us,  
Do not get it backwards, dog!  
**GOD love's ALL!!!**

## Fear

So why **fear** love?

Why fear GOD,

That created **YOU!**

**True love** is through creation,

Creation is the truth!

It is only one of those!

You can change your body.

You can change your earth.

You can do whatever in **Your Own Universe!!!**

## No Thing

When we **glance up** into space,  
We mostly find **nothing** there.  
There is things we just do not know  
And will not know!  
Like how **no thing** out there,  
Can become many things we **know**.  
We came from that nothing  
Becoming a something.  
That is how our minds work,  
**Peace** is at nothing!

## Know

Or is peace when we finally get to that **level**?

The level of **balance** in the two pieces!

The two **pieces** of GOD,

Balanced in our mind to make one!

That peace you can **feel**,

And the piece of the **unknown**!

But what if we knew it the whole time?

Knowledge is power,

Now in the present.

The present is the power to know now!

## G.O.D's. Job

Generating energy,  
Operating energy,  
Destroying energy,  
Seems to be the job!

Everything we know is a form of energy.  
Including us, being aware of that is the key!  
The key to opening our bodies and minds,  
And letting go of the negative energy!  
So is the **energy** we have our true gift?

## Blessed

We all been blessed with energy.  
We all been blessed with the **free will**,  
To control our energy.  
Is it not **our job** to balance that energy,  
If we know or not?  
Most do not know or care to know,  
And that is playing with our world!

## World

That is **world play**, it is like **word play**.

It could all be the same thing!

Who came up with these words?

Who made them **right** or **wrong**?

Did the **thought** come first?

Like the chicken and the egg?

We supposed to be **child** like,

Than why do babies learn words?

We take an “L” from the world,

When we play with the word!

## Outro

Evil live backwards!

It wants us to believe the **WORLD** is not  
**BLESSED** by **G.O.D's JOB** and for us to  
**KNOW NOTHING.**

So you can **FEAR GOD NOW!!!**
